

# INCREASING THE AVAILABILITY OF PSYCHOSOCIAL SUPPORT

---

As part of the mental healthcare program, a contribution up to CZK 5,000 can be obtained from VZP ČR to increase the availability of psychosocial support at [a selected therapist](#).

---

## GENERAL CONDITIONS

---

The program is intended for VZP ČR insured persons aged 7 and above, who are not in the process of re-registration to another health insurance company at the time of submitting an application for inclusion in the program / financial contribution.

The maximum amount of the contribution is **CZK 5,000 for 10 sessions** (CZK 500/1 HOUR).

It is possible to apply for a contribution for sessions until 15.12.2021; in a case of sessions taken in the period from the date of issue of the voucher no later than 30.11.2021.

## HOW TO APPLY FOR THE VOUCHER

---

- electronically to [opatrujse@vzp.cz](mailto:opatrujse@vzp.cz)  
It is necessary to state the following in the e-mail:
  - who will attend the session with the selected therapist; the person's name, surname and insurance number (a nine- or ten-digit number stated on the health insurance card),
  - how the voucher is to be sent (an e-mail address to which the voucher will be sent).
- in person at any branch office on presentation of an identity card or health insurance card.

After issuing the voucher, you will then choose a therapist according to [the published list](#), with whom you will attend a session of a maximum of 10 hours. Part of the initial consultation during the first session is to complete the initial questionnaire. On the basis of the questionnaire and a professional assessment, the therapist decides on the continuation of the psychosocial intervention.

The voucher issued by VZP ČR is presented to the therapist at each completed session, which the therapist records on a document. At the last consultation, a final questionnaire is completed. At the same time, please complete a short satisfaction survey.

All questionnaires on the program to increase the availability of psychosocial support are available on the VZP ČR website.
